See [www.motofix-arc.co.uk](http://www.motofix-arc.co.uk) for our contact details

## 1.1 Summary Statement

**Motofix Group do not pass any of your data to marketing or data mining companies.**

For the purposes of repairing the vehicle, Motofix are given some or all of the data listed below. We may subsequently ask for extra information when we speak to you if it has not been provided to start with. Some of this data may be passed to a third party (for example car hire suppliers) strictly on the basis of it being required to complete the repair.

## 1.2 Data Received and Used to Complete the Vehicle Repair

Some or all of the following personal data may be requested

- Name and title
- Home address
- Work address
- Other collection or delivery addresses specified by the policy holder or vehicle driver
- Contact telephone numbers
- Email address
- Policy Holder date of birth
- Nationality
- Policy or claim reference number
- Vehicle Registration
- Driving licence details
- Any existence of driving offences
- Personal information provided on call recordings
- Credit card details

## 1.3 Where the Data is Held

Motofix use dedicated Claim Management Software for the entire repair process and the data is entered and stored on this system for the purpose of completing the repair only. Occasionally data is stored in spreadsheet format using the registration number and claim identifier to allow cross reference if further personal details are required.

## 1.4 How Long the Data is Held

Where there is an associated paint, parts or workmanship guarantee, the details of the repair need to be kept. Courtesy car, financial data and associated invoice data must be kept for 6 years. Once the data is no longer required, information on the management system is archived anonymously and paper documents are destroyed.

## 1.5 What are your Rights as a Customer

As a customer, you are entitled to ask for details of your personal information held by Motofix or by the party managing your claim. You can further ask for inaccuracies to be corrected, for the processing of data restricted or for the data to be deleted.

If you ask for any of the above, we will forward the request to your insurer or accident management company who will get in touch with you. Motofix will be able to comply with the requirement, provided that there is no legal or other overriding reason for us to keep the records.
