The Motofix Group announces appointment of new distribution partner

The Motofix Group, one of the UK's leading independent vehicle accident repair and bodyshop groups, has announced the appointment of LKQ Coatings – a division of the Euro Car Parts Group – as its sole distribution partner for PPG paint products, paint dry-goods and consumables.

Alongside its current parts supply via Euro Car Parts Group, this appointment cements a single source distribution partner for Motofix with the UK's leading crash repair distributor. LKQ Coatings prides itself on its ability to supply a complete collision portfolio, meaning Motofix can ensure a total solution is available for customers; whilst continuing to deliver industry leading service and technical support.

Richard Tutt, The Motofix Group's Managing Director, commented *"We are thrilled to announce our partnership with LKQ Coatings. As we go through an exciting period of growth, with the aim to become the UK's number one choice in accident repair, it is important that we continually review the ways in which we can ensure consistently high levels of service for our customers. This appointment will provide customers with additional benefits whilst supporting our future aims."*
