**PRESS RELEASE: Motofix Group secures Renault approval at Yeovil facility**

Motofix Group has secured Renault approval at its Yeovil facility, highlighting the Group's continued commitment to vehicle manufacturer standard repair capabilities.

The approval follows an extensive audit process by Renault during which Motofix Yeovil was praised for its *'high levels of expertise, attention to detail and exacting standards'*.

The accreditation builds upon Motofix Group's close working relationship with the Renault brand which has approvals already in place at three of the Group's eight centres - Exeter, Cirencester and Northampton.

Len Worthington, Network Manager from Renault, said, *"With their high levels of expertise, attention to detail and exacting standards, we're delighted to welcome Motofix Yeovil to our network."*

*Yeovil is now one of four Renault manufacturer approved repair centres within the Motofix Group and we look forward to continuing to develop our successful working relationship with the business."*

Sue Cripps, Motofix Group Standards and Compliance Manager, said *"Our commitment to compliance and standards; development of our people; and investment in our workshop facilities, is proving attractive in developing our manufacturer relationships. We're delighted to welcome Renault to Motofix Yeovil."*

**Ends**

## **Motofix Accident Repair Centres**

Headquartered in Surrey, the Motofix Group is a leading vehicle body repair provider with eight specialist service delivery centres in the South and Southwest of England. Employing a skilled workforce of more than 250 people, the Group repairs over 18,000 vehicles annually and holds corporate compliance and service reputation as core brand values. Motofix is endorsed by 24 vehicle manufacturers, including some of the world's leading brands. All sites hold the prestige BSI Kitemark accreditation and selected sites now offer ADAS and structural aluminum repair capability.
