

**PRESS RELEASE: Motofix Group gains Volkswagen Group approval at Northampton repair site**

19 November 2019

Motofix Group are delighted to have secured Volkswagen Group (VWG) approval at their Northampton facility, making it their sixth accident repair centre to be added to the VWG repair network. The approval includes VWG's manufacturer brands Audi, Volkswagen, Volkswagen Commercial Vehicles, SEAT and ŠKODA.

VWG approvals are already in place at the Group's Aldershot, Exeter, High Wycombe, Oxford and Swindon branches. The addition of Motofix Northampton to VWG's network demonstrates the Group's commitment to upholding the manufacturer's standard repair capabilities at their sites.

Franco Iannotta, VWG Bodyshop Development Manager, said: *"I am delighted to welcome Motofix Northampton to the VWG UK Paint & Body Approved Network.*

*In recent times, VWG UK have strengthened the repair capability requirements, which means even more investment in bodyshop facilities, people skills and equipment to safely repair our current and future vehicle technologies, including new driver safety assistance technology and electric and hybrid drivetrains.*

*It is testament to the Motofix Group and its six VWG UK Approved repairers that they invest today to safely repair tomorrow's cars."*

Sue Cripps, Standards & Compliance General Manager for Motofix, said: *"we're thrilled that we've gained our sixth site approval from such a well-established and respected vehicle manufacturer of some of the world's most recognised brands. We've clearly established our high standards of compliance and continuous investment in our future, which fits perfectly with VWG's vision and objectives to enhance their repair efficiencies."*
